ARAIFUMI Performance Video

Profile

ARAIFUMI is a modern Japanese dance company that delivers the beauty of Japan through dance. Led by HIDETOMO, choreographer for the official ceremony of Expo 2025 Osaka, Kansai, Japan, and composed of professional female dancers selected through auditions. Featuring the world's first LED Japanese umbrellas and fans combined with screen visuals, ARAIFUMI creates unique performances blending traditional Japanese dance with contemporary dance. From ready-made performances to fully customized productions, ARAIFUMI offers flexible stage productions for a wide range of domestic and international events.
